

TECHNOMELT®

NO CLUMPING OF HOT MELT GRANULES WITH LIQUID COATING

Benefits

- **Powder free and food safe** solution
- Reduces maintenance costs: **keeps machines clean**
- **Increases worker safety**: eliminates the risk of slipping due to dust on the floor
- Higher efficiency due to **unrestricted automatic feeding** – even with high-tack adhesives
- **Avoids tank contamination** with powder and **ensures thermal stability** of the melt
- **Improved anti-blocking** properties and **longer shelf life**
